

To Whom It May Concern:

My name is Sherel Carpenter. I am a loan officer with Countrywide Financial and work very closely with Brenda Stephens. I have been in the mortgage business for 15 years and work with some of the best realtors in Texas. I consider Brenda the best of the best. She works tirelessly with the utmost professionalism and integrity.

She always puts her customer 1st and goes over and above the norm, paying close attention to detail to make sure that the home buying experience is perfect, smooth and hassle-free for her clients.

Brenda doesn't just turn her buyers over to me to do the financing and move on to the next customer. She stays in constant communication with me from the beginning until the end and we work together with the goal of making sure that every customer is completely satisfied with their home buying experience.

I have been so impressed with Brenda that I used her to sell my own home and when I am ready to buy another home I will most definitely call her. I would recommend her and do recommend her realtor services with complete confidence that whoever uses her will be left completely satisfied.

Sincerely,

Sherel Carpenter
